Welcome to Central West Trillium

The Central West Trillium Zone is incorporated as a not-for-profit organization and is governed by the rules of Equestrian Canada (EC). The bylaws of the Central West Trillium Association govern the conduct of its governing body and all members in the zone.

The Trillium Hunter Jumper Association has divided the province into seven geographical zones. The main premise behind this decision was that competitors would not have to travel significant distances on a regular basis to be involved in the horse show circuit.

They can show relatively locally and complete their division in one day. This geographic division of the province has served the organization very well in that on any given weekend, there can be as many as seven Trillium Shows on! The Zone offers hunter, jumper, equitation, and hack classes at all of its shows.

The circuit is comprised of ten horse shows that run through a set region within the province of Ontario. Central West has competitions from the Niagara Region to up and into the Golden Horseshoe. The series end Championships hosts the best in the province!

Central West has a proud tradition within the Trillium Hunter & Jumper Association which started in 1983 and has been growing with one of the biggest memberships of the THJA. The organization was designed with the goal of bridging the gap between local schooling shows, and the "A" Circuit. The Trillium Circuit would provide exhibitors with a viable local alternative to pursue their equine competition interests, and would provide a training ground for new judges, course designers and stewards.

Championship Show Qualification Requirements

- ✓ Competitors may only collect points if they have a current THJA membership.
- ✓ The 50% rule for Champs qualifications has been waived. Competitors must compete (ie. Marked on a judge's card) at a minimum of one (1) THJA show in order to qualify for their respective class/division offered at the Championship Show.
- ✓ The THJA will be accepting points collected at any Ontario Trillium show towards Trillium Championships qualification. Competitors declare their home zone by purchasing a membership in the zone they wish to represent at Champs. Competitors may show on their home zone and at any other THJA show to collect additional points towards Champs.
- ✓ The THJA will maintain a central points list that will reflect each member's standing in the organization as a whole. For 2025, each of 6 eligible zones will receive eight spots per division/class for Champs but, in the event that there are remaining spaces, they will go to the next highest ranked competitor on the centralized points list, up to 49 entries.
- ✓ Both riders and owners must have THJA memberships to collect points towards Championship Show and Zone Awards
- ✓ Points are not retroactive if memberships were not in place at the time of competition.
- ✓ Competitors may not collect points on Temporary Horse Licenses
- ✓ Points towards Championship Show and Zone Awards are calculated at each show based on the number of riders in the class, a standard multiplier factor, and the placings 1st to 6th. Please note that this is different than how points are calculated for Champion and Reserve Champion at each show.
- ✓ Qualified Championship entries are limited to two (2) Divisions, the Hack Division, Equitation/Medal Classes & Specialty Classes at the Championship Show.

Important Information

Anyone mounted on a horse or pony must wear an ASTM/SEI or BS EN approved helmet with the safety harness correctly fastened at all times while on the competition grounds.

Competitors must compete in a minimum of three shows during the season in the same division (s) to qualify for the year-end awards.

Hunter—Second accumulative refusal, run out or bolting while on course results in elimination.

Ponies 8 years and over that have been officially measured at an Equestrian Canada sanctioned event will be issued an official measurement card. All ponies will be subject to random

measurements regardless of whether or not the pony has a permanent measurement card. For further information see EC Rule General Regulations, Article A1103.

Unjudged Schooling Round— Some shows will be offering competitors an un-judged hunter schooling round. The round will be open to all riders, including professionals. Full dress is required. The set course will be jumped only once (2 refusals constitute elimination). Each horse/pony is limited to one unjudged schooling round per division. Equitation riders, who are not competing in other divisions, may school over the set schooling course for the respective height.

Scratched Entries— Scratched entries will pay the scratch fee, in full, with the administration fee. If the entry does not scratch with the show office, then full entry fees will apply. Hunter classes— once the division has started over fences-class fees will not be refunded. Jumper/Equitation/Medal classes— once a class has started the class fee will not be refunded.

Unpaid Show Accounts— Unpaid show accounts will be reported to the Zone committee and competitor/owner will be considered “not in good standing.” This will affect the future status of the competitor / owner on the THJA circuit.

EC's Accidents & Return to Sport Rule

EC's concussion-related Accidents & Return to Sport Rule came into effect Jan. 1, 2017, for all EC sanctioned competitions in Canada.

The full rule can be found in the EC Rules, Section A, General Regulations, Article 101.

Key components of the rule include the following:

- In the event of a fall/accident where a concussion can be reasonably suspected, the competitors must receive medical clearance by qualified medical personnel onsite before continuing to compete.
- The competitor is solely responsible for ensuring the onsite medical assessment takes place. Should a competitor refuse to be evaluated, they will be disqualified from the competition.
- If onsite qualified medical personnel suspect a concussion or believe the competitor may be at risk of concussion due to the nature of the fall or impact, the competitor will be suspended from competition and placed on a Medical Suspension List until medically released.
- Competitors will remain on the EC Medical Suspension List until they submit an EC Return-to-Sport Form, signed by a licensed physician, to EC.
- No competitor shall compete at EC sanctioned competitions while on the EC Medical Suspension List and competition organizers may refuse entry to anyone currently on the list.

Official Program, Rules, and Claims

It is the responsibility of all individuals participating in any capacity in EC-sanctioned competitions to be knowledgeable regarding the EC constitution and the applicable rules of EC and the additional rules, if any, posed by the competition. Membership and Horse Recording Requirements

In light of this, competitors and horse owners will be required to provide proof of their EC, Ontario Equestrian (OE), and Trillium Hunter Jumper Association (THJA) membership cards and proof of payment of updated sport licenses at each show office. Temporary Sport Licenses and/or Temporary Horse Recording will be required to be purchased at each show if proof of membership is unavailable (actual cards & receipts). No points will be accumulated on a temporary license.

Equestrian Canada Rule Changes

New rule changes will be carried over from 2024.

- Horses are required to jog for soundness in all except miscellaneous hunter classes. Jog for soundness using either Option A or Option B below. Management must state in the competition prize list which method of jogging will be used. Horses/ponies that are unsound will be eliminated and ineligible for an award in that class. The judge's decision regarding soundness is final.
 - a. Option A: Horses/ponies are required to trot a circle on a loose rein at the end of each over fences performance. Horses/ponies may be asked to return to the ring and trot another circle at the judge's discretion.
 - b. Option B: Horses/ponies will be jogged together with the rider unmounted in the judge's order of preference. Two additional entries in addition to the number of ribbons must jog if there are sufficient entries. Horses/ponies may be asked to re-jog at the judge's discretion. A horse/pony may not leave the ring until the jog has been declared official by the judge, or it will be eliminated. A horse that is unruly, one that breaks away from the handler or one whose actions threaten to endanger the rider, handler, other exhibitors or their entries will be eliminated.
- Examination After a Fall: All competitors that have had a fall during training/warm up on the Competition site or in the Competition Arena/Field of Play must be assessed by qualified medical personnel onsite before they either take part in another test or competition. Competitors must not re-mount their horse until this assessment has been completed. The competitor is solely responsible for ensuring the onsite medical assessment takes place by the onsite qualified medical personnel.

Competition management may request supporting documentation confirming a horse's compliance with mandatory vaccination requirements. In the case of a horse that is unable to receive either of the vaccines, a letter from a veterinarian on official letterhead must be provided with the entry form, stating the horse cannot be vaccinated due to medical concerns.
